- One can insert Secondary sales data and save it to database. In case you have secondary sales data in excel format (as provided), you need to add it from another page as below slide.

The screenshot shows a web browser window displaying the Fujifilm Secondary Sales application. The browser address bar shows the URL: 192.168.1.213/FujiSecondarySalesProcess/SecondarySale.aspx. The application header includes the Fujifilm logo, the text "Secondary Sales", and a user welcome message: "Welcome Tauseef [CAMERA]". A news banner at the top right reads "1. Fujifilm launches the X-M1 - a compe". Below the header, there are search filters for "Search Customer" (with a text input field containing "Type customer here to search..."), "Search Model" (with a text input field containing "Type Model here to search..."), "Date To" (with a date picker set to "1/31/2014"), and "Series" (with a dropdown menu set to "A-Series"). A "Search" button is located to the right of the search fields. Below the search filters, there are tabs for "Daily Sale" and "Cumulative Sale". The main content area displays a table with columns for various camera models: AX500(B), AX500(BL), AX500(PU), AX500(R), AX500(S), AX550(B), AX550(BL), AX550(R), AX550(S), AX600(B), and AX600(BL). The table currently shows "No records to display." At the bottom of the table, there is a "SubTotal" row. Below the table, there is a pagination control: "Change page: < 1 > | Displaying page 1 of 1, items 0 to 0 of 0." The footer of the application includes "FAQ's | Privacy Policy | Terms of Use | Contact Us" and "Powered by Skelta BPM © Fujifilm India". The Windows taskbar at the bottom shows the system clock as 12:39 PM.
